Responses to the Queries in reference to the Request for Proposal (RFP):APSSDC/MIS-LMS/17/2018, 16.03.2017 and pre-bid meeting held on 6th April, 2017

Bidder Name	Page No.	Section No & Name	Item Description	Clarification requested	Response
Blue Frog	7	Sub section 3, Point (3)	This section states that "The bidder must have successfully developed and maintaining Software applications/MIS with Aadhaar authentication services in last three years in any of the Central/State Government departments & PSU's."	We humbly submit that this pre-qualification eliminates all the bidders who are having experience in mobile governance and web governance projects, because such pre-qualification is available with 1 or 2 vendors in the State of Andhra Pradesh.	As per RFP
	7	Sub section 3, Point (4)	This section states that "The Average turnover of the firm is at least Rs. Forty Lakh in the financial years of 2014-15, & 2015-2016 and 2016-17 in India".	This show, the estimated cost of the project shall be in the range of 5 to 8 lakhs per year as per CVC guidelines. However, it may kindly be noted that, the number of manpower [Page 53, 10.7 Form-C#2 - Commercial Form] to be deployed at the field is about 7 members. The estimated cost of these members without taxes shall be about 3.5 lakhs to 7 lakhs per months which results that the project cost shall be ranging from 42 to 60 lakhs per annum. In the light of the above the PQ with regard to turnover of the bidder may kindly be adjusted as per the CVC guidelines.	As per RFP

Bidder Name	Page No.	Section No & Name	Item Description	Clarification requested	Response
	19	4.3 TIMELINES	<p>The project team deployed by the selected vendor shall be based at APSSDC Headquarter at Vijayawada. Travel may be required for the consultation and requirement gathering with various stakeholders and users including trainees, center administrators, trainers etc.</p> <p>The commencement date will be determined by a Commencement Order (T) to be issued by the APSSDC.</p>	As the deployment of team at APSSDC by the vendor and delivery timelines are mutually exclusive, it may be clarified that “attaining the project delivery of the deliverables is the responsibility of APSSDC or the vendor.	As per RFP
	22	4.6 Roles and Responsibilities of Bidder	f. Deployment of resources & Completion of work as per the requirement of APSSDC.	We further request that, if the team has to work at APSSDC premises, please let us know the stakeholder responsible for creation of development and testing environment for the team to work at the APSSDC premises.	APSSDC will manage the servers and required software.
	32	6.27 Service Level Agreement (SLA)	Completion of Tasks/ Activities and Submission of Deliverables/ Reports as per schedules given in this RFP	When the team is working at the APSSDC premises, the penalties shall not be applicable to vendor and hence the clause may kindly be modified accordingly.	As per RFP
	38	6.51. Exit management Plan	a. The successful bidder will hand over the Systems & other items of the project, as a part of deliverables of and the documents related to at any time if department demands for transfer of the whole	When the team is working at the APSSDC premises, obtaining the project deliverables likes with the APSSDC team. The clause may kindly be	As per RFP

			<p>maintenance and operational support and web site to any other Agency, the bidder shall help in smooth transition.</p> <p>b. At the time of exit the successful bidder shall submit all latest documentation in soft and hard copies as case may be</p>	<p>examined.</p>	
	38	6.52. Right of Monitoring, Inspection and Periodic Audit	<p>The APSSDC shall have the right to conduct, either itself or through another Third Party as it may deem fit, an audit to monitor the performance by the Third Party of its obligations/functions in accordance with the standards committed to or required by APSSDC and the service provider undertakes to cooperate with and provide to the APSSDC any other agency appointed by APSSDC, all documents and other details as may be required by them for this purpose. Any deviations or contravention identified as a result of such audit/assessment would need to be rectified by the service provider failing which the client may without prejudice to any other rights that it may have issue a notice of default.</p>	<p>Please clarify who will be responsible for paying the 3rd party security audit charges.</p>	<p>APSSDC will pay for the 3rd Party Audit</p>
	21	Resource to be deployed at Project Location, Vijayawada	<p>The qualifications and requests of the proposed resource persons require the skill set of Aadhaar integrations rather than design and development of mGovernance projects.</p>	<p>We do not deny the requirement of Aadhaar integration which is just 5% of the proposed work when compared with skill development and management. In the light of the above, the skill set required for the resources may kindly be amended accordingly, so that the project requirements are met</p>	

Bidder Name	Page No.	Section No & Name	Item Description	Clarification requested	Response
				as per the expectations of the department.	As per RFP
	27	6.14. Evaluation criteria	The Past Experience of the firm [30 Marks] and Solution requirement for MIS and LMS system [50 Marks] and Adequacy and Quality of Resources proposed for Deployment [20 marks]	As per the RFP evaluation criteria [Past Experience of the firm, Solution requirement for MIS and LMS system and Adequacy and Quality of Resources proposed for Deployment] has been focusing on integration of Aadhaar which is just 5 to 10% of the entire scope rather than evaluating the skill set of the bidder with regard to the understanding of the MIS & LIS scope. We therefore, request to amend the evaluation criteria with proper weightages as per the scope of the work defined in the RFP.	As per RFP
Ram Info	7	Clause No.2 S.No.3	The bidder must have successfully developed and maintaining Software applications/ MIS with Aadhaar authentication services in last three years in any of the Central/ State Government departments & PSU's. The certificate from the client for the successful implementation of software development work, shall be submit to support the claim	The bidder must have successfully developed and maintaining Software applications/ MIS with Aadhaar authentication services (OR) The bidder should have the experience of at least one project related to the Aadhaar activities in last three years in any of the Central/ State Government departments & PSU's.	Please refer Amendment/ corrigendum
